

ReOpening ORLOVIC Gallery 2026 Exhibition, Murter, Croatia

Dear Art Lover,

I'm sending you this newsletter because you love art.

The artworks you can see this summer at ORLOVIC GALLERY Murter/Croatia, move between digital visual art, moving images, and installation-based presentation formats.

My small multimedia picture stories, full of poetry and color, are waiting for you.

Spring shows what the power of beauty can be!

I can't wait to welcome you back and share this inspiring exhibition together!
