

# Dr. Marija Orlovic, Artist

**Dear Art Lover,  
I'm sending you this newsletter because you love art.**

Autumn gently slows down our days  
With it comes a time to pause, to give, and to share  
Over the past few months, new small picture-stories have taken shape  
Quiet compositions full of poetry and color  
They are now ready to be discovered  
Thoughtful companion for someone close to your heart

Wishing you a joyful and art-filled holiday season
